

FLIPPER DOOR CABINETS

Teclab Flipper Door Cabinets. The professional’s cabinets!

That’s exactly what you’ll be thinking when you take a good look at the new Teclab flipper door cabinet. The Teclab design team has redefined the storage cabinet with Teclab’s industry leading standard of quality and durability.

The cabinet features beefier construction with heavier material than competitive cabinets with exclusive Teclab features including reinforced sides and backs, reinforced doors with smooth operation.

Teclab has designed a flipper door cabinet to be the leader in performance and value.
