

## COUNTERTOP SUPPORT BRACKETS

Countertop Support Brackets are used to support work surfaces along a wall or to connect multiple work surfaces. They are built from heavy-gauge steel and supplied with the necessary attaching hardware.

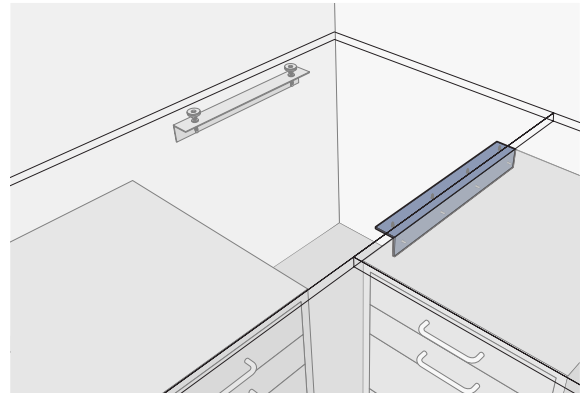

### **Countertop Support Brackets**

for mounting onto casework:

**CSB-18-90** (18" length)

**CSB-16-90** (16" length)

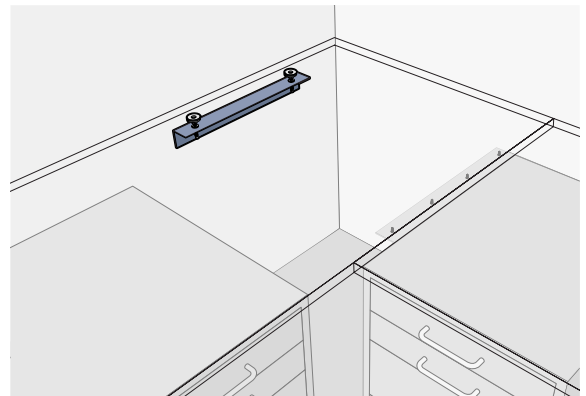

**CSB-24-90** (24" length)

### **Countertop Support Brackets - Adjustable Height**

for mounting onto wall:

**CSB-18-90-W** (18" length)

### **Countertop Support Brackets**

for connecting work-surfaces:

**CSB-08** (8" length)

**CSB-18** (18" length)

**CSB-24** (24" length)
