

**SINK PANEL**

**Sink Panels are typically used when accessibility is required.**

Teclab’s panels comply with the Americans with Disabilities Act (ADA). The panel hides plumbing yet allows full wheelchair access. The easily removable panel offers easy access to plumbing when necessary.

**Standard Sink Panel Widths:**

- 30" WIDE
- 36" WIDE
- 42" WIDE
- 48" WIDE

**Standard Sink Panel Height:**

28.5" HIGH

**Panels are removable using a standard Phillips screwdriver.**
