

PREMIUM QUALITY HIGH RING ESD CHAIR & CLASS 100 CLEANROOM CHAIRS

These chairs come with a synchronized Fluid-Motion mechanism, which allows the seat and back to move in unison, providing continuous lumbar support to the user. Backrest movement “free floats” or can be locked at any point in the range. A sensitive tension control allows easy adjustment of the backrest pressure. Integral lumbar support adjusts to ensure correct seated posture. Comes standard with a 20” height adjustable foot ring, composite 5-star base and rugged 2” dual-wheel ESD casters.
