

STEEL TUBE WORKBENCH “TES-1600”

HEAVY DUTY INDUSTRIAL WORKBENCH

Teclab’s TES Line showcases height adjustable and fixed height workbenches with steel uprights supporting overhead lights, storage components and many bench accessories to keep your production components close at hand. We’ll custom-make your idea of the perfect bench with the same attention to detail we use in building the world’s finest electronic workstations. In the end, you’ll receive the superior-quality, high-performance bench you want and need.

CONFIGURATIONS AND OPTIONS

1 Overhead Rack

Accommodates anything from a light to a tool trolley or compressed-air line.

2 Tool Trolley

Keeps assemblers working efficiently. Hook up and go.

3 Adjustable Shelf

Puts tools and parts close at hand, yet keeps them out of the way.

4 Outlet Strip

Puts the power where you need it, in any configuration or amperage.

5 ESD Wrist Strap

Helps eliminate ESD damage caused by human handling

6 Height Adjustment

Maintain the right ergonomics for individual workers; choose from three height adjustment options, including electric, mechanical or manual.

7 Foot Rest

A sensible, simple way to foster greater worker comfort.

8 Steel Overhead Cabinet with Flipper Door

Convenient storage that keeps clutter off the work surface. Available in an array of sizes and colors.

9 Tack Board, Steel Pegboard or White Dry Erase Board

The perfect place to tack notes, plans, or hang tools.

10 Uprights

Allow use of multiple accessories, including cabinets, shelves, tack boards, parts bins, and outlet strips.

11 Parts Bins

The easy way to keep small parts an arm’s length away.

12 Work Surface

Choose from a variety of materials to fit your bench and need.

B Steel Hanging Cabinet

Double-wall construction, a variety of drawer configurations, recessed handles and smooth gliding drawer slides ensure ease of use and maximum durability.

14 LED Light Kit

Under Shelf Light Kits install under Shelves or Cabinets and provide diffused light to the work surface.

ESD

All Teclab Workbenches can be specified to conform to ESD Standards.

Mobile

Swivel and Rigid Casters with brakes and locks available.
